

Scientist in Residence

Application Form

Name:

Area of Science / Research Area:

Academic Institution / Organisation (if applicable):

What are your reasons for wanting to join curious directive as a Scientist in Residence? (Please tick all that apply):

- I feel isolated in my current working environment.
- I would like to be part of a creative community.
- I can't afford to pay for somewhere quiet to work.
- I am looking for a non-corporate working space to research.
- It was recommended to me by a friend / colleague.
- A new working space will make me feel more motivated.
- I came to look around and really liked it.
- Other (please specify)

curious directive
